**1 Since Riverside School is a special school, and all Riverside's students have a Statement of Special Educational Needs (Statement) or an Education, Health and Care Plan (EHCP), the need for a detailed report exclusively focusing on provision for SEN students does not apply since all the school's policies and procedures apply to all students equally.*

However, the school considers it useful to record some headline statistics about the school's student community annually.

2 See **School Offer (under '**Publications**' on the school website) and '**Autism at Riverside**' under '**Autism Provision**' on the school website) for further details of the school's provision for students with autism.*
